Dr. Tom Hill, co-author of "Chicken Soup for the Entrepreneurial Soul", has this to say about Jacqué Weiss, founder of "Count Your Lucky Stars":

"She has a kind loving heart that will touch your soul and make a difference not only in your thinking but in your life as well."

The inspiring story behind "Count Your Lucky Stars" is one of many in "Book Title." Here's an excerpt:

"Several years ago, I went through one of life's toughest challenges – divorce. This was a life-changing situation that hit me hard and fast. My world was devastated, and my morale was extremely low. Things seemed to be very bleak. I was falling deeper and deeper into that black hole – emotionally, physically, spiritually, and financially. I had no hope or light." - Jacqué Weiss
